Moved NSW to remove the question in reference to rule 4.09(l) relating to Dept. of Sport and Recreation. Seconded Tas, Motion carried.

### **Item 3 - WA**

#### **Rule 15.13 Blue and Red Diagonal**

Suggest that we revert to previous 2011 rule.

**Reason:** This will allow us to bring in a really slow (and potentially dangerous kart) without having to wait for them to disobey the blue flag as is currently the 2012 rule.

Moved WA, seconded Vic, that the rule reverts back to the 2011 rule. Motion passed.

This item to go straight to the NKC for approval before the NT Open Championship.

Moved NT, Seconded WA. Motion carried.

#### **15.10 Blue: (Waved)**

A waved Blue Flag / flashing light signifies that you are about to be overlapped by one or more competitors. On receiving this flag / light, you may continue with your race and hold your normal race line, but allow any overlapping kart /s to pass unimpeded.

#### **15.13 Blue and Red Double Diagonal:**

This flag, at the discretion of the Clerk of Course / Stewards, together with the appropriate board showing the kart number/s, will be displayed to the competitor/s who are about to be or have been overlapped. On receiving this flag, the competitor must stop racing, move off the racing line so as not to impede the progress of any other competitors and return to the in-grid prior to completion of their next lap. Approaching the in-grid, the driver of the lapped kart must raise one hand to clearly signal to following competitors that he/she is leaving the circuit.

Competitors who obey this flag will be classed as finishers and awarded a finishing position in the race.

Competitors who fail to obey this flag will be shown the black flag, together with an appropriate board showing their kart number signaling them to immediately cease racing and return safely to the in-grid without impeding another competitor, and report immediately to the Clerk of Course or assistants. These competitors will be penalized with exclusion from that section of the event by way of a Penalty Notification Form, and possible

further penalty. There shall be no appeal against this decision or penalty.

Moved NSW, seconded Qld, motion carried.

To be sent to the NKC for approval and immediate impementation.

#### **Item 4 - WA**

Rule 15.11 Red Flag

Suggest instead of Clerk of Course or Steward only, add "other nominated officials".

**Reason:** Clerk of Course or Steward may be locked in a hearing or otherwise occupied and not have a good view of the race (such as tower staff).

Moved WA, Motion lapsed due to no seconder.

#### **Item 5 – WA**

Rule 4.15 (f)

Clarify what the reports are?.

Re-write rule 4.15(f) to read ' Prepare the relevant information from their inspections and forward to the stewards of the meeting or the clerk of course as may be appropriate.

Moved WA, Seconded NSW Motion carried.

Re-write 4.12(i) Provide the information necessary to enable the chief steward of the meeting to complete their report.

Moved NSW, Seconded Qld. Motion carried.

#### **Item 6 - WA**

Rule 12.01 and 12.01(b) 3

Remove the words "appear to".

Reason: Tidy up

Moved W.A. No seconder, motion lapsed.

#### **Item 7 - WA**

Rule 12.02

Add Scrutineer to list of officials.

Reason: Tidy up

Moved WA, Seconded Qld, Motion carried.

#### **Item 8 - WA**

Rule 1.32.3

While we declare track is "wet from when it appears rain is imminent", we don't declare when track becomes dry. Should we?

Reason: Clarification of Rule Moved WA. Motion lapsed due to no seconder.

#### **Item 9 –TAS Discussion Item**

Rule 15.11 Red: (flag) and addition of Double Yellow Flags

Discussion item re suggested introduction of Double Yellow Flags/Lights introduced as a precursor prior to a Red Flag and compulsory education of driver's as to what reduce speed means under Yellow and/or Red Flag situations.

If not added to Rule Book can Double Yellow be utilised at a State level?

Moved Tas, no seconder, motion lapsed. Item was discussed that the issue can be dealt with at Club and state level.

**REASON –**

Examples to be given at Conference.

**Item: 10. NSW  
Endorsements**

Clarification on rule 13.17.1

Rule 13.17.1 states only one licence endorsement can be obtained per driver, per race meeting. Are drivers able to obtain a flag endorsement one day and a provisional endorsement on the second day where clubs run two day race meetings with different classes each day.

Moved NSW No seconder, motion lapsed.

**Item: 11 - QLD**

1. Review Rule 16.10(e) in particular as these rules include cadet's clutched karts.

**Reasons :** Safety Issue

Qld to enquire about this item and re-visit.

Qld withdraw this item.

**Item: 12 - QLD**

2. Introduce compulsory penalties for failure to comply to R 15.08.

**Reason:** to better risk manage the sport as no one obeys the instruction of this rule anymore.

Moved Qld, seconded Tas Motion passed.

Moved Qld that we introduce a minimum compulsory penalty of either '3 or 6 to 9' in the suggested penalties list. Seconded NSW. Motion carried. To be referred to the NKC asap for approval and implementation immediately.

**Item 13 - QLD**

**Restrict juniors who move to Junior Clubman / JMAX from entering National Series, National Titles and State Titles.**

**Reasons:** They must race at Junior Clubman or JMAX at club events on at least 3 occasions before they can race at these bigger events.

Officials are required to be stricter on the endorsement procedure to prevent unqualified drivers from obtaining the qualifications to enter the class.

**Item 14 – AKAC - Recommendations**

The maximum monetary penalty this Court can impose is \$3,000.00 per offence. This Court considers that ceiling to be too low. In this Courts view a monetary penalty in excess of \$5,000.00 per offence would have been an appropriate penalty in all the circumstances of this case.

However, given the Court is confined to a maximum monetary penalty of \$3,000.00 per offence it will impose that maximum fine in each case. In imposing such a penalty the Court recommends consideration be given to increasing the monetary penalty which can be imposed from \$3,000.00 per offence to \$10,000,00 per offence. This would afford greater flexibility in the range of penalties which can be imposed and bridge the gap between monetary penalties and suspensions.

NSW moved no seconder, motion lapped. Contact be made with AKAC to seek justification for a request for such a big increase.

#### Item 15 – Officials committee item.

Change to Rule 7.13.3 to better reflect the original intent of the rule.

Rule 7.13.3 currently reads;

3) Where practicable, a Steward who lodges a complaint should not be involved in the hearing of that complaint, except when called as a witness.

Proposed rule change to read;

3) **A Steward who lodges a complaint must not hear that complaint.**

Moved by NSW, seconded by Qld, motion carried.

1. Change to Rule 8.01.2 to reflect rule 9.02(b)(ii).

Rule 8.01.2 currently reads;

(2) an appeal from a decision of a Disciplinary Tribunal to the Australian Karting Appeals Court.

Proposed rule change to read;

(2) an appeal from a decision of a Disciplinary Tribunal to a relevant State Karting Council Appeal Tribunal.

Moved NSW to seek legal opinion on this item and report back to the Officials committee.  
Seconded Tas.

2. Acceptance and implementation of the above rule change will require the following changes to be made.

Rule 8.04© currently reads;

© To lodge an appeal against a decision from a “Disciplinary Tribunal” or an “Appeal Tribunal” to the Australian Karting Appeal Court (AKAC), the appellant must complete an AKA “Notice of Appeal” form setting out the details of the appeal, and post it (by Registered Mail) to the National Tribunal Registrar before 12 midnight on the seventh (7<sup>th</sup>) day after the handing down of the decision of the appeal, with the appropriate fee (\$1,100.00 for an appeal in writing or \$2,200.00 for an appeal in person).

Proposed rule change to read;

© To lodge an appeal against a decision from a “Disciplinary Tribunal” **to a relevant State Karting Council Appeal Tribunal**, the appellant must complete an AKA “Notice of Appeal” form setting out the details of the appeal, and post it (by Registered Mail) to the relevant State Tribunal Registrar before 12 midnight on the seventh (7<sup>th</sup>) day after the handing down of the decision of the **Disciplinary Tribunal, with the appropriate fee of \$550.00, made payable to the relevant State Karting Council.**

Current rule 8.04© to be re numbered to (d) and changed to read;

(d) To lodge an appeal against a decision from an “Appeal Tribunal” to the Australian Karting Appeal Court (AKAC), the appellant must complete an AKA “Notice of Appeal” form setting out the details of the appeal, and post it (by Registered Mail) to the National Tribunal Registrar before 12 midnight on the seventh (7<sup>th</sup>) day after the handing down of

the decision of the appeal, with the appropriate fee (\$1,100.00 for an appeal in writing or \$2,200.00 for an appeal in person).

Moved WA, seconded by NSW motion carried.

7. Chapter 14 Protective Clothing:  
Proposed addition to rule 14.01.2(a)

- (a) Helmets bearing the following marks are approved for use on AKA circuits, **provided that they are no older than 10 years from their date of manufacture.**

Moved NSW, seconded Tas, motion carried.

8. Rule 15.10 Blue: (Waved)

Remove the word 'must' and replace with the word 'may'.

15.10 Blue: (Waved)

A waved Blue Flag / flashing light signifies that you are about to be overlapped by one or more competitors. On receiving this flag / light, you ~~must~~ may continue with your race and hold your normal race line, but allow any overlapping kart/s to pass unimpeded.

Failure to obey this rule will result in the Blue and Red Double Diagonal flag being shown, under direction from the Clerk of Course / Stewards, as per rule 15.13.

Moved Qld, seconded Vic, motion carried.

9. Addition to rule 16.06(d)

(d) When classes are run co-jointly, provisional licence holders must start at the rear of the entire field, **in co-joined class order.**

Moved WA, seconded NSW, motion carried.

10. Proposed new rules 16.06(e) and (f).

(e) When two (2) or more classes (maximum 4) are co-joined, the classes run on the track at the same time, with race results / points allocated to each individual class.

(f) When two (2) or more classes are combined to form a class, race results / points are allocated as one class.

Moved NSW, seconded Qld, motion carried.

11. Proposed addition to rule 16.09(iv) to read;

(iv) The starter **may then** give the start signal **when** satisfied with the **speed and formation of the karts, once the front row of karts have crossed the yellow acceleration line painted on the track surface.**

It is forbidden for drivers to accelerate until the front row of karts have crossed the yellow acceleration line painted on the track surface.

Moved NSW, seconded Qld, motion carried.

12. Proposed deletion of part of rule 16.09(vi).2

- ~~Provided the competitors have been advised of the procedure and the penalty at the drivers briefing,~~ Allow the race to continue, and signal to the offending driver or drivers by use of the 'bad sportsmanship flag' that they have received a 10 second time penalty, to be imposed at the completion of the race.

As per rule 7.04(d) a complaint or appeal may not be made against this decision.

Moved WA, seconded NT, motion carried.

13. Rule 16.11 Race Stoppage:

Current rules read;

16.11 Race Stoppage:

Races may only be stopped under extreme emergency and by using the red flag/lights.

- (a) When a race is stopped it must be restarted over the remaining number of laps as approved by the Stewards, unless
  - i. At least 50% of the race is completed by the leading kart, in which case placings will be awarded according to positions at the commencement of the lap in which the race was stopped.
  - ii. It is a State or National Championship event where less than 3 laps remain to be completed by the leading kart. In this case placings will be awarded according to positions at the commencement of the lap in which the race was stopped.
- (b) Any competitor who is stationary when red flag/light is used to stop a race will not be permitted in the re-start of that race. There shall be no complaint or appeal against this section of Rule 16.11(b).
- © After a red flag incident, the karts are to be impounded in "parc ferme" and no work is permitted to be carried out. Any karts found by the Scrutineers to be unsafe and / or non compliant will be excluded from the re-start of the race.
- (d) Re-Start of Race:
  - (1) Positions to be as recorded at the commencement of the lap in which the race was stopped. If the lap scorers do not have a complete record of all starters, the Stewards may re-start the race in the original order with grid positions revised after exclusion of those who are ineligible under Rule 16.11(b).

Proposed changes to rule 16.11, Race Stoppage to read;

16.11 Race Stoppage:

Races may only be stopped under extreme emergency and by using the red flag/lights.

- (a) When a race is stopped it must be restarted over the remaining number of laps **as determined by the Chief Timing Officer / Lap Scorer and** approved by the Stewards, unless
  - i. At least 50% of the race is completed by the leading kart, in which case **the race can be declared** and placings awarded according to positions **at the last recorded lap of the lead kart as determined by the Chief Timing Officer / Lap Scorer, excluding those that were stationary when the red flag/light was used to stop the race.**
  - ii. It is a State or National Championship event where less than 3 laps remain to be completed **by the leading kart**. In this case **placings will be awarded according to positions at the last recorded lap of the lead kart as determined by the Chief Timing Officer / Lap Scorer, excluding those that were stationary when the red flag/light was used to stop the race.**
- (b) Any competitor who is stationary when the red flag/light is used to stop a race will not be permitted in the re-start of that race.  
There shall be no complaint or appeal against this section of Rule 16.11(b).
- (c) After a red flag **stoppage**, the karts **and drivers** are to be impounded in "parc ferme."  
**Drivers remain under the direction of the Clerk of Course. No adjustments or repairs are permitted to the karts prior to the re-start of the race.** Any karts found by the Scrutineers to be unsafe and / or non compliant will be excluded from the re-start of the race.

(d) Re-Start of Race:

- (1) Re-start positions to be as per the last recorded lap **as determined by the Chief Timing Officer / Lap Scorer, excluding those that are ineligible under rules 16.11(b) and (c).** If the **Chief Timing Officer / Lap Scorer** does not have a complete record of all starters, the Stewards may re-start the race in the original order with grid positions revised after exclusion of those who are ineligible under Rule 16.11(b) **and (c).**
- (2) If the race is stopped on the first lap, the race is restarted in the original grid order and formation after the exclusion of those who are ineligible under Rule 16.11(b) **and (c).**

Moved NSW, seconded Qld, motion carried.

14. Proposed new rule 25.23 (currently reserved)

25.23 **Technical Infringement during an Event:**

1. If, during an event, any of the following items below, (a) to (i), become dislodged / non-compliant, the competitor will be shown the Mechanical defect flag (black and orange disk) as per rule 15.16 and must return to the mechanical breakdown lane / in grid prior to completion of their next lap, to effect repairs as per rule 17.10. Competitors who cannot effect repairs to the satisfaction of the Chief Scrutineer, and rejoin the race within 1 lap under direction from the Grid Marshal, will be classified as a DNF.

(a)	Bumper Bars	rule 25.01(g)
(b)	Side Pods	rule 25.02
(c)	Nassau Panel	rule 25.03
(d)	Nose Cones	rule 25.06
(e)	Exhaust System	rule 25.09
(f)	Chain Guard	rule 25.11(i)
(g)	Engine sprocket guard	rule 25.11(ii)
(h)	Noise Induction Silencer	rule 25.24
(i)	Transponder	rule 16.05

2. If, at the completion of an event, any of the above items, (a) to (i), are found by the Scrutineers / Technical Officers to be dislodged / non-compliant, the kart will be impounded for further inspection. Karts that fail inspection due to any of the above items, (a) to (i), will be automatically excluded from the section of the event to which the non-compliance relates. Action will be taken by the issue of a Penalty Notification Form, which will be issued without an Officials Hearing and signed by at least 1 Steward and the Chief Scrutineer (Judge of Fact). A complaint / appeal cannot be lodged against this action.

Moved NT, seconded Tas, motion carried.

### Item – 15 - NSW

The Endurance Karting Association would like to apply for a rule change to allow the annual winner of the Endurance Karting Briggs & Stratton point score to be classed as National Title Holder for Endurance Karting, So that they would then be entitled to carry the GREEN number plate with a yellow number ONE on it for the following Endurance Karting season.

Moved NSW, seconded Qld, motion carried.

### NON AGENDA ITEMS

1. Karting Tas presented a criteria developed in that state for the granting of endorsements.  
Moved Vic, seconded WA that each state develop their own criteria relevant to their state.  
Motion carried.

2. Qld raised the issue of who has the authority to raise a black flag as per rule 15.15.

**15.15 Black Flag:**

Should it become necessary for any reason to stop a driver, this order shall be given through the Clerk of Course with the authority of a Steward of the Meeting. The black flag shall be displayed to the driver concerned, together with a panel upon which is shown the kart number. Such signal indicates that once a competitor receives the black flag they are to cease racing immediately and return to the pits next time he/she reaches it without impeding another competitor. The driver may not re-enter the race. The competitor must report to the Clerk of the Course or Steward immediately after returning to the in Grid.

Moved NSW, seconded Qld, motion carried.

3. NSW presented a document referring to suggested penalties for Rotax technical infringements. It was agreed to let the technical committee maintain and use the document for reference at hearings.
