TRACK AGENDA ITEMS

KartingNSW Item 1 – Track Item – Track Handbook

Recommend that this revised document be adopted Nationally (Karting NSW Policy attached)

AKA Item 2 Review the N.S.W. Track manual for the possible adoption of the same as the national manual.

AKA Item 3: Hi Viz apparel.

Discussion when pushing out karts that have out grids close to the track should a Hi Viz apparel be worn?

AKA Item 4: Discussion on the Lightening meters in regards to type to suit all track lighting.

AKA Item 5: Revisit the rules in relation to track lighting (all karts are now fitted with transponders and the light requirements of the past may not be relevant today).

AKA Item 6: Control lights ,such as Tracksa .We need to set the guide lines to standardise the use of these lights (everyone seems to have different ideas).

AKA Item 7: AKA Insurance:
