No. GRC 16-02

Junior Licence Criteria

Date: 4 February 2016

Procedure Number	GRC 16-02	Approved by CEO On	4 February 2014
Drafted By	Sporting & Comp.	Implementation date	Immediate
Version	V1 – 4 02 2016		

Background

In recent years the Minimum Licence requirement for a Junior Licence holder to Compete in what have been deemed 'performance Classes – KA2, KA3 Junior, Junior Performance, Junior Max' has been a Junior B Grade Competition Licence with a Minimum age to Compete being in the Year of the Drivers thirteenth (13th) birthday.

There is no change to this in the 2016 Rules.

Name changes resulting in various strikethrough's and red text added to the Rules to identify amendments from the previous version, has led the poor alignment of the asterisk (*) denoting the performance Classes in the Junior Licence criteria table. The table is not completely clear that no changes have been made. This will be rectified in the on-line version shortly.

This interpretation has been issued for the sake of clarity and the avoidance of doubt to confirm that the **2016 Junior Licence Criteria for the 'performance Classes' remains unchanged from those criteria that applied in 2015.**
