

New Cadet Driver Practice Log

In accordance with Competition Rules, Chapter 4, Rule 2 a child who is eligible to obtain a Cadet Driver's License (New Cadet Driver) must complete a minimum of eight (8) hours of driver training/practice on a KA licenced Race Track (Practice) before they are eligible to undertake the Observed Driving Session ("ODS") and then compete in their first race.

At all times while the New Cadet Driver is undertaking the required Practice, they must be supervised by either:

- A Parent who is the holder of a Participant License; or
- A person who is 18 years of age or older who is the holder of a racing licence issued by or recognised by KA; or
- A driving instructor/coach who is recognised by KA.

The person supervising the New Cadet Driver's Practise sessions must complete the details of the practice undertaken on this New Cadet Driver Practice Log Form which must be provide it to the Official who conducts the New Driver's ODS before being allowed to undertake the ODS.
