VENUE ASSESSMENT

TOTAL VENUE SIZE

SIZE (in sqm)

Overall

INDOOR AREAS

The maximum number of permitted people within a designated room is to be based on State Government Requirements. It is expressed as One Person Per "X" Square Metres.

e.g. Room Size: 12m x 5m = 60sqm / Required Personal Space (the number set by your Government.)

If the Required Personal Space number is 4 sqm, the number of people permitted in the room is 15.

At 1 June 2020 the **Required Personal Space Number** in all States and Territories other than Western Australia is (four) 4. The Western Australian number AT 1 June 2020 is (two) 2.

LOCATION	SIZE (SqM)	Required Personal Space	Maximum number of people permitted
INDOOR AREAS			
Race Secretary's Office			
Race Control			
Time Keeping Room (If separate from Race Control)			
Safety Lights Room (If separate from Race Control and/or Time Keeping Room)			
Stewards Room			
Technical Inspection (Scrutineering)			
Scales Area			
Canteen/Clubrooms			
Medical Room			
Toilets			
Commentary Box			

OUTDOOR AREAS

Pit Area*			
Out Grid			
In Grid			
Grandstand			

*If Government Restrictions provide a direction of multiple groups with a maximum number of people, the pit area is to be clearly defined with the maximum number of people permitted to gather at one time.

COVIDSafe Practices

Advise of the appropriate measures that have been/are to be implemented by the Club to ensure there is a COVIDSafe environment for all Attendees at a Karting Australia event.
